

VAPING & JUUL: EDUCATE TO PREVENT

LICADD

A YOUTH-FOCUSED WORKSHOP BY LICADD

Join us for an engaging workshop presented by LICADD, focused on combating youth vaping and JUUL use through education and prevention

Workshop Highlights

- Learn up-to-date information on the health risks and impacts of vaping on youth, with a focus on upper elementary students
- Explore why early education and prevention efforts are critical to reducing youth vaping
- Hear from CN Guidance and Counseling Services about their new crisis center
- Gain insight from Nassau BOCES on bringing data-informed vaping prevention education and resources to your school

About LICADD

LICADD's mission is to address the addictive climate of our times by providing initial attention and referral services to individuals, families, and children, through intervention, education and professional guidance to overcome the ravages of alcohol and other drug-related problems.
